## Fact Sheet

### Location

• The Hotel Dom Gonçalo has an excellent accessibility for being only 400 meters from the A1 Lisbon-Oporto highway, with a central location in the country. From the Hotel, one can visit well-known cultural places such as the Our Lady of Fatima's Shrine, the Eco-Sensorial Park "Pia do Urso", the dinosaur's footsteps from the Jurassic period or UNESCO classified World Heritage Sites such as the Monasteries of Batalha and Alcobaca.

### Distinct Characteristics

• Recently remodelled with a contemporary style full of charm and surrounded by gardens, the hotel has an excellent environment for relaxation or as a refuge for work.

• In the lobby, you can relax by the fireplace, with a small library and an Internet point. At the Dom SPA Wellness Centre, discover a unique balance between body and mind. Choose between releasing excess energy at the Fitness Center, taking a swim at the indoor heated swimming pool, relaxing with a massage and trying out the Sauna, Turkish bath, Tropical Shower or Jacuzzi. Altogether to make you feel the best way possible.

### Rooms

• With 67 rooms and 4 suites, the hotel has two different decorating options: the **Design wing** has extremely spacious rooms with king-sized beds, LCD televisions, marbled bathrooms and views to the Pilgrimage Monument from the rooms facing the roundabout; the **Classic wing** has a traditional decoration and excellent views to the garden.
